

Happy Hippo Preschool & Kindergarten Program

Description:

Happy Hippo Preschool in Orange County was created to provide young children with a happy first time school experience and optimal literacy opportunity.

Happy Hippo Preschool aims at addressing the student's multiple intelligences, learning styles, and to foster an international perspective that extends beyond the borders of the student's own country and culture. Teachers work to stimulate intellectual curiosity, to encourage independent thinking, to foster individual responsibility, and to expand the student's creativity.
